

SIL PUBLICATIONS  
YEARS 1995 - 2000

YEAR 95-96

- Rafael Fernandez-Sein, "Design of an Integrated Flash-Flood Forecasting System". In Proceedings of the GIS/LIS'95 Conference in Nashville, Tennessee, November 1995.

YEAR 97-98

- Fabian O. Gonzalez, "Development of an Algorithm for SAR Data Processing". In Proceedings of the 1998 NASA URC Technical Conference on Aeronautics, Space Science and Technology, Earth System Sciences, Global Hydrology, and Education. To be held in Huntsville AL during February 22-26, 1998.
- J. Diaz-Serrano and R. Fernandez-Sein, "Automated TDRSS RF Relay System Through CTV". In Proceedings of the 1998 NASA URC Technical Conference on Aeronautics, Space Science and Technology, Earth System Sciences, Global Hydrology, and Education. To be held in Huntsville AL during February 22-26, 1998.
- Eliud Bonilla and R Fernandez-Sein, "Design of a Low Cost TDRSS-Compatible Portable Earth Terminal". In Proceedings of the 1998 NASA URC Technical Conference on Aeronautics, Space Science and Technology, Earth System Sciences, Global Hydrology, and Education. To be held in Huntsville AL during February 22-26, 1998.

YEAR 98-99

- Gilbes, F. and J. I. Vélez Arocho (1998), "Conference/Workshop on the Caribbean Countries and the Inter-American Institute for Global Change Research". Proceedings. National Printers, Inc., Mayaguez, Puerto Rico, 151 pp.
